MAGAZINE TRIM SIZE: 8.375" W X 10.875" H

CAMERA-READY ART

CATT encourages advertisers to supply materials but they must be compatible with our computer systems. The preferred format for camera-ready art is a PDF, 300 dpi or higher with embedded fonts. "Camera-ready art" is press-ready. This means that no adjustments or alterations to size, color or copy are necessary.

Full Page Bleeds: 1/8-inch on all sides. Ads submitted without sufficient bleed area are subject to reduction in order to fit.

Live/Safe Area: Keep live matter 1/4-inch inside of trim on the top and bottom and 3/8-inch from left and right trim.

CATT is not responsible for any error in content provided by advertisers. Files that aren't prepared according to our specifications are subject to additional production charges.
